

INVEST SYRACUSE:

Advancing Academic Excellence and the Student Experience

Syracuse University will invest \$100 million in academic programs and the student experience over the next five years

Invest Syracuse Initiatives

REDEFINING the student experience

- Providing comprehensive and integrated **academic and career guidance**
- Ensuring every student has an opportunity for a **global learning** experience
- Fostering a **cross-campus collaborative** to formalize a networking community after graduation

ADVANCING discovery and innovation

- Recruiting and hiring **100 faculty scholars**
- Retaining **outstanding faculty**
- Building a more robust **Office of Research**
- Launching a **Faculty Innovation and Discovery Fund**

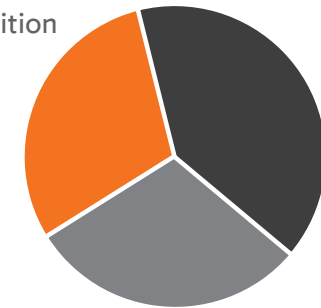

EXPANDING opportunity to students

- Launching the **Invest Syracuse Initiative** fundraising to support undergraduate scholarships and financial aid
- Creating a **new scholarship program** for high-achieving students
- Rebalancing **student grants and loans** so students graduate with significantly less debt

Funding Invest Syracuse

\$30 million from
rebasings tuition

\$40 million in
new scholarship
fundraising

\$30 million in
administrative cost reductions
